Horizontes Playa Larga Hotel.

Location: Located in front of the Caribbean Sea in a privileged area of the Bay of Pigs, with one of the most attractive beaches on the south coast of the island. This hotel has excellent conditions for enjoying a full stay surrounded by lush flora and fauna and with native species that attract hundreds of nature-loving tourists each year. The facility is located at the midpoint of the most important ecotourism trails and sport fishing areas, which is why it has become the preferred facility for bird watchers, hikers, kayakers and sport fishermen. Additionally, it has a very close International Diving Center where lovers of this modality can fulfill all their dreams and access the 11 diving points that the destination has. From this hotel it is easy to access areas linked to the most recent history of the Revolution and with traditions of great popular roots and it is highly appreciated by the elderly and family tourism for its bungalow-style rooms.

Accommodation: 60 Houses: 30 1-room houses, 8 2-room houses and 22 standard rooms. All heated, with hot and cold water, minibar, safety boxes, telephone and satellite TV.

Services: A la carte service restaurant, two ranches on the beach, pool bar, 24-hour lobby bar, shop, pool, day and night entertainment, nautical point, sports area and WiFi service.
