### Taina de Guama Village:

It is located 8 km through a channel into the well-known Laguna del Tesoro whose transit takes place in fast lakes where the client will have the possibility of enjoying a unique view and observing various species of birds. La Aldea Taina is a sculptural ensemble made by the famous sculptor Rita Longa representing the culture of the Cuban aborigines through a tour where you will appreciate 25 sculptures of aborigines on a natural scale performing the daily tasks of an aboriginal village and its typical constructions; You can enjoy a show of a local Aboriginal rite and you will be able to enjoy a varied gastronomic offer at the local Bar Indio with an incomparable view and nature. Additionally, on the way back you will also be able to appreciate the exceptional architecture of the Hotel Horizontes Guamá and its natural surroundings. Capacity: 800 pax daily
