Urban regulations of the municipality.

Our municipality has an urban regulations plan approved since 2015.

In this regard, general mandatory codes and regulations are established for this settlement, which are complemented and perfected with the “Specific regulations for urban intervention”, defined in terms of: land use, composition and urban morphology.

From these definitions, the following themes are derived from the sections:

- First section (I). Quality of the environment.
- Second section (II). Patrimonial protection and prevention.
- Third section (III). Urban structure.
- Fourth section (IV). accessibility to public spaces.
- Fifth section (V). new constructions or applications.
- Sixth section (VI). Constructive interventions and Habitat
- Seventh section (VII). Urban furniture.
- Section eighth (VIII). Public space
- Section ninth (IX). Road infrastructure.
- Tenth section (X). technical infrastructure.
- Section eleven (XI). Non-state management firms.
